

GIRLS PATHWAY CHAMPION AFC FRADLEY

As Girls Pathway Champion, I want to create a space for girls to be competitive and to lean into their identity as a football player. My childlike energy and enthusiasm for football is going to ensure that girls have every opportunity to explore their passion, and for this passion to be reciprocated by their club and coaches. Being a player for AFC Fradley myself, I am determined to support their hopes and successes through our amazing club. #HereComeTheGirls’.
